Our field of consultancy:

How we deliver our consultancy?

1

Pre-audit Consultancy

Preparing your company against desired standard/scheme certification

AND

OR

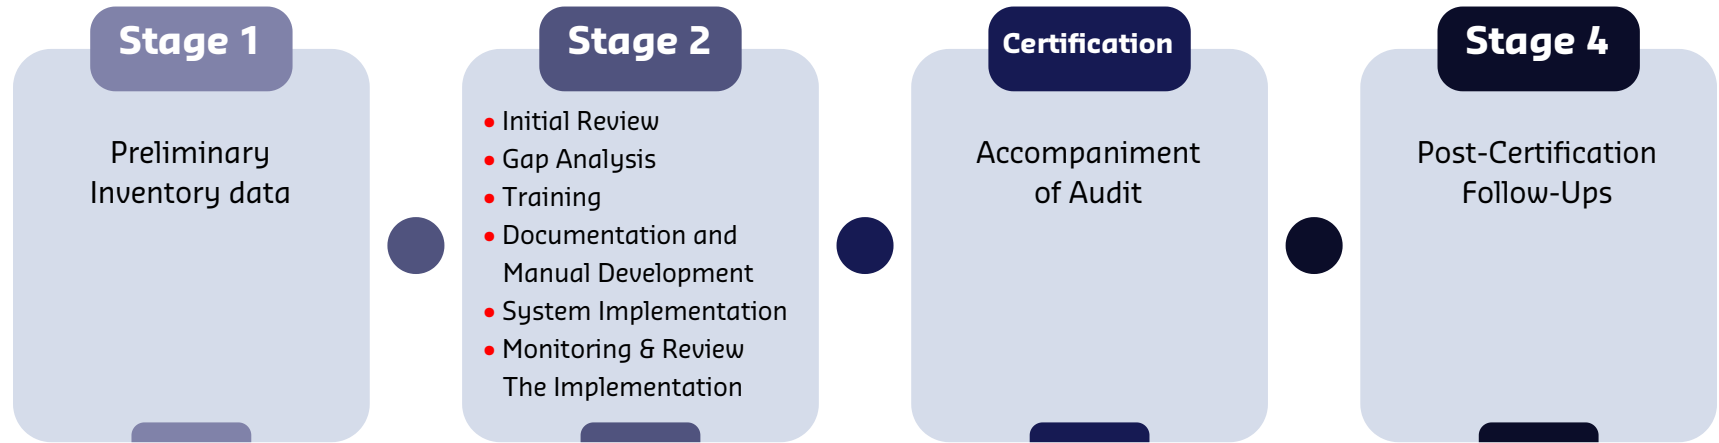

2

Post-audit Consultancy

Assist your company in corrective action plan for Non-Conformance during audit process

Peterson Projects and Solutions Consultancy Scope

Phase of Consultancy

1. Preliminary Inventory Data

- Preliminary data collection to get more understanding of existing project
- Review the existing system and implementation
- Planning and strategy

3. Capacity Building/Training

We will provide you with standard awareness training on your company.

5. Monitoring and Review the Implementation

We will monitor and review the implementation of the action plan to meet up with the standard.

2. Initial Review and Gap Analysis

- Gap assessment to find any gap/non-compliance in the existing process in order to comply with desired standard/approach
- Best practices consultation
- Improvement and guide on the effective and efficient implementation

4. Developing Manuals and Documentation

Developing manuals/SOP/record needed as per gap analysis finding against desired standard/approach.

6. Accompaniment Audit and Post-audit Follow-ups

Provide accompaniment during the audit with Certification Body and post-audit NC Corrective Action plan (if any).
